

THE *Crafty Pony* BAR

Based in East Anglia The Crafty Pony bar has been carefully converted to create a unique experience for any event.

Lined with copper and using reclaimed materials, our beautiful bar is the perfect addition for any wedding, corporate event, private party and festivals across the UK. Specialising in prosecco and locally brewed ciders we also offer a full bar service, or why not simply 'hire the vessel' and brand it for your own event?

Ideas are endless, memories are timeless.
